## Student Guidelines:

- Must be age 65 or older
- Waiver can be used toward one on-campus course for audit each semester. 100% of tuition will be waived. All mandatory/course related fees are to be paid by the student.
- Student must be in good standing, academically and financially.
- Waiver determination is based on "space available" in the on-campus course student is wanting to enroll into.
- Enrolling in the course prior to the last date to enroll, even if taking for audit, may void the waiver application if the course fills up. If this were to happen, the student would be responsible for the full cost of the course.
- The waiver is not available to semesters completed prior to receipt of the application.
